COMMENTS (Number each comment to show from whom to whom. Draw a line across column after each comment.)

The attached Headquarters Notice is informative. I'm glad we issued it. Now for a question or two:

- Can the system tell us who was called long distance on telephone number STAT
- If yes, give me a report covering the last four months.
- If I need to conduct non-Agency business during the day, can I use the WATS line to call long distance? If so, can I be billed?
